Take the Florida Turnpike north (if you are coming from the north turn directions upside down) until it ends near mile marker 309 / north of Wildwood). Turnpike becomes I-75 north. Continue on I-75 north to exit 352 - which is State Road 40 (also known as Silver Springs Blvd.) Exit west on SR 40. Continue west on S.R. 40 for 7.8 miles.

Turn right at the light onto W. Highway 328 and continue around curve.

Continue west on 328 for 7.9 miles (328 ends at US Highway 41 - just past railway tracks). Turn left and continue 1/10th mile. Make immediate right turn onto 13th Street (hard to see sign). Continue 1.6 miles and look for our big sign.
